

COVID-19

Guidance /
Advice

Effective September 16, 2021 the LEVA Board of Directors has approved the following regarding the 32nd Annual Training Symposium, October 18 – 22, 2021.

Any updated Centers for Disease Control guidance will be posted and those registered notified.

- 1) If you are not fully vaccinated, you should wear a mask in indoor public places. (per the CDC)
- 2) If you are fully vaccinated, to maximize protection from the Delta variant and prevent possibly spreading it to others, you should wear a mask indoors in public. (per the CDC)
- 2) For those unvaccinated, be prepared to provide proof of a negative COVID19 test completed within the previous 72 hours at LEVA registration.

NOTE: LEVA assumes no liability should any attendee become infected with COVID19 as a result of attending the symposium.

As a science-based training organization, LEVA respects the science-based health guidance intended to keep you and each other well.
